

MAPLES CARE HOME

RESIDENTIAL | DEMENTIA | NURSING | RESPITE CARE

WELCOME TO MAPLES

Nestled in Bexleyheath, Maples Care Home is a modern, purpose-built luxury care home offering excellence in Residential, Nursing, Dementia and Respite care tailored to each individual.

At Maples Care Home, warmth, kindness and community truly shine and a genuine sense of family is at the heart of all that we do. Every resident is unique, and our friendly, experienced team take the time to get to know each individual to ensure that every day can be meaningful, enjoyable and lived to the fullest.

Our varied activities programme ensures residents have lots of opportunities to socialise, continue much-loved hobbies, try something new or enjoy an exciting outing locally or further afield. Freshly prepared, restaurant-quality meals are enjoyed daily in our sophisticated dining areas.

Every bedroom at Maples Care Home has been designed with comfort and privacy in mind and is equipped with a spacious ensuite wet room, together with profiling bed, state-of-the-art nurse call system, flat-screen television and complimentary Wi-Fi.

Our catering team work hard to create a varied, nutritious menu with thoughtfully prepared meals tailored to individual preferences and dietary needs. Meals are served in our welcoming dining rooms, with option to dine socially or privately.

A WARM WELCOME AWAITS

Internally, residents can enjoy a choice of elegant shared lounges for relaxation, while beautifully landscaped outdoor gardens provide the perfect settings for group gatherings or peaceful moments with friends.

At Maples Care Home, life is all about luxury, comfort, and meaningful connections: we would be delighted to welcome you, or your loved one, to see for yourself what makes Maples such a wonderful place to call home.

We look forward to welcoming you
